The Korean Cultural Center Los Angeles(KCCLA) is opening our art gallery to offer talented, professional artists an opportunity to show their work.

KCCLA proudly presents “Cultural Identity Exhibition” - a group show of six selected artists.

The chosen artists for this exhibition are Theresa Hwang, Mark Hyun, Young Shin Kim, MeeJung Lee, La Somine, and Janet Yoo.

Nak Jung Kim, Director of the Korean Cultural Center says, “I believe that inviting these 6 artists who have been trying to find their identity is a meaningful occasion. As an immigrant, it is difficult to continue being an artist, therefore the works of these artists have been chosen to share their perception of the United States and France through Korean eyes and their continuous yearning to share their art with everyone”.

KCCLA is grateful for the opportunity to share the works of our great artists with other communities in one everyone. We invite everyone in Southern California to view these great works and share thoughts about art and cultural identity.

The exhibition is open to the public and the opening reception will be held on Friday, March 25th, 2016 at 7:00p.m. at the KCCLA 2nd floor, Art Gallery. You will have the chance to meet with the artists at the opening reception.
