The Korean Cultural Center Los Angeles (KCCLA) & Korean Artists Association of Southern California (KAASC) proudly present the 54th Annual Exhibition of Korean Artists Association of Southern California', which will open with a reception at the Korean Cultural Center Art Gallery (located at 5505 Wilshire Blvd. Los Angeles, CA 90036) on Friday, September 15, 2023, from 7:00 to 9:00 p.m.

Since its inception in 1964, Korean Artists Association of Southern California has been involved with various types of exhibitions to promote cultural exchange and harmony between Korea and other ethnic groups. The association has also encouraged younger generations to explore their artistic endeavors through Juried Art Student exhibitions and Korean-American exhibitions. As years go by, younger artists have joined the group making this association even more lively than before. This special exhibition will feature fresh new ideas and designs along with more refined and sophisticated traditional art as well.

In celebration of the 54th anniversary, the Korean Artists Association of Southern California proudly presents this show. 68 association artists will showcase paintings, sculptures, photography, ceramic, installation arts, and other various artworks.

Director Sangwon Jung of the Korean Cultural Center Los Angeles (KCCLA) remarked, "2023 is very special to KAASC and Korean artists in the United States as it marks the 70th anniversary of the ROK-US alliance and the 120th anniversary of Korean immigration to the United States. I eagerly anticipate that this year's exhibition will showcase the passion and talent of Korean artists who have continued their creative endeavors across Southern California."

The exhibition will be open to the public and the show will run until September 29th, 2023.
